*Donations of any amount will be graciously accepted and very much appreciated.
We are a 501(c)3 Non-Profit and as such, all donations are tax-deductible.*

On Wednesday, July 21st, 2010, the annual Operation Foundation work project will begin. This week-long cleanup and revitalization project allows organizations, companies, and individuals to come together and complete projects that benefit those in need in our community.

Through sponsorship of this event, your company has the unique opportunity to be seen as a community leader while helping citizens and non-profit organizations in our city.

Our desire is to offer each volunteer a complimentary T-shirt, light breakfast and lunch each day for their contribution of time and hard work. Please let us know if you would like to be a part of this special week.
